RE: Kelli Berglund

Dear Michelle,

On behalf of the Boys & Girls Clubs of Conejo & Las Virgenes we would like to thank you for your support at our recent Summer Camp Sign-up Day event. The attendance of Kelli Berglund, the new star of Lab Rats, was an exciting and special draw for our club members. They were all so excited that Kelli could come and spend some time with them talking, signing autographs, taking photos, and of course dancing.

Our local Boys & Girls Clubs' Clubhouses serve over 2,600 members a year through our after school enrichment programs, our sports programs, our summer camps, and our travel and resident camps. We are only able to make that happen because of the terrific community support that we receive from our supporters. Events like this help us create the awareness in our area of what services we offer. Getting support from a local star like Kelli is so meaningful and impactful for our members. It shows them that they too can succeed like Kelli has done.

We wish Kelli the best of luck on continued success and look forward to working with you both in the future. Thank you again for all your support.

Sincerely,

Mark Elswick
